### Introducing our new easy-to-sand finishing compound

Following the successful launch of GIB Trade Finish® last year, the feedback from the market is that you would like to also see an easy sanding version of this "super slick" compound, so we have developed **GIB Trade Finish® Lite:**

- **Easy to sand lightweight finishing compound**
- **Available in a 15 litre pail and 14 litre refill carton**
- **Super slick to trowel**
- **Suitable for application with mechanical finishing boxes**

The release date for this new compound is **2nd August 2010**

\*\*To launch this new compound a promotion will run from the 2nd August till the 31st October 2010.

### New Rondo Wall Chart

To help select the appropriate **GIB® Rondo® Metal Batten** system, a new wall chart is now available.
