[Updates Archive](#)

Dear Customer,

This month, we look at two great new products. GIB® Trade Finish™ a premium finishing compound and GIB® Plaster of Paris. The GIB® Nail range is now available in two new pack sizes .

New GIB® Trade Finish™

GIB® Trade Finish™ a new heavy weight finishing compound will be launched on **16 November 2009** in a 15 Litre pail and economical 14 Litre refill carton. This new ready mix compound has some great trowelling characteristics. Order NOW at great introductory prices.

New GIB® Plaster of Paris

Keep the kids entertained this Christmas with **GIB® Plaster of Paris** in a convenient 5kg bag.

This super fine casting plaster is perfect for moulds and castings to create awesome gifts and decorations.

GIB® Nail New Pack Sizes

Two new GIB® nail packs will be available from 2nd November. In addition to the current 5kg packs we now offer 500gram and 15kg packs. All pack sizes available in 30mm and 40mm lengths.

NEXT ISSUE:

You will be notified shortly of our Christmas shutdown dates to help you and your customers prepare accordingly.

Kind regards
Edwin Zijderveld
