

Extra labour charges for DTS delivery

At Winstone Wallboards Ltd we are always striving to ensure that every site delivery is as smooth and efficient as possible. This flyer provides handy information on the extra delivery charges that may be incurred with a Delivered to Site (DTS) delivery.

STANDARD DELIVERIES

Standard truck: Driver + one labourer 

Plasterboard is delivered to the nearest point of cover within 20 paces (e.g. the garage or closest open area). If plasterboard needs to be carried more than 20 paces or up stairs, you will require a specialised delivery service (refer below).

Hiab: Driver only (no labour) 

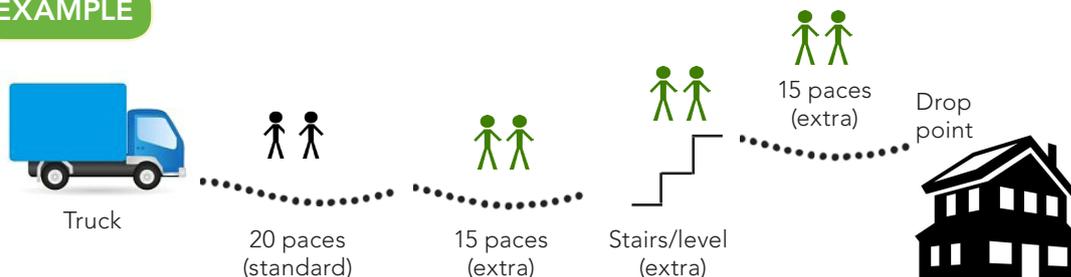

If the driver has to be on site for more than 2 hours, an hourly rate applies.

EXTRA CHARGES FOR SPECIALISED DELIVERIES

Extra labour: Standard truck + extra labourers  + 

- » Required when plasterboard needs to be carried more than 20 paces or carried upstairs (includes when foundation height is over 400mm)
- » Two extra labourers are required per level or per 20 paces
- » Minimum labour charges of 3 hours per two men applies Winstone Wallboards depot to Winstone Wallboards depot (not only time on site)
- » Additional weekend charges apply for Saturday/Sunday or statutory working days

EXAMPLE

= 30 paces extra (4 extra labourers) + one flight of stairs/level (2 extra labourers) = 6 extra labourers

Hiab long reach, more than 15m 

- » One off charge applies for long reach hiab
- » If driver has to be on site for more than two hours, hourly rate applies

Crane lift: Driver only (no labour) 

If driver has to be on site for more than two hours, hourly rate applies

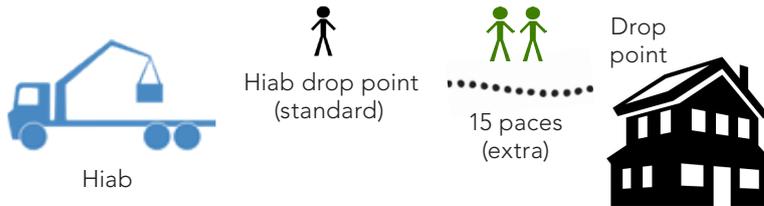

EXTRA CHARGES FOR SPECIALISED DELIVERIES CONTINUED...

Hiab extra labour: Driver + extra labourers

- » Extra labourers position the plasterboard in the house from the end of the hiab lift
- » Two extra labourers are required per level or per 20 paces from end of hiab lift
- » Minimum labour charges of 3 hours per two men applies Winstone Wallboards depot to Winstone Wallboards depot (not only time on site)

EXAMPLE

= 15 paces extra (2 extra labourers)

NOTE

- » A minimum of 48 hours notice is required for specialised deliveries.
- » If labourers are exposed to an edge at height they will need to be restrained with a harness. This could result in extra men required outside the normal extra labour service.

RE-DELIVERY CHARGES

If the site is not 'plasterboard ready', re-delivery will have to be re-scheduled at an extra cost to the customer. Refer to the flyer 'Is your Site Plasterboard Ready for Delivery?' for information.

No clear access to site

Good access to the site

SITE CHECK SERVICE

If you are not sure whether your site is 'plasterboard ready' or you require assistance with the type of service you need, request a free pre-site inspection (that will be completed within 48hrs after date of order placement).

MORE INFORMATION

For more information regarding additional charges contact your local merchant or the GIB® Sales and Orders team on 0800 475 475 weekdays during office hours.
