

GIB-Cove<sup>®</sup>  
Exhibit your personality

# Reflect your style with GIB-Cove®

The new GIB-Cove® range was selected by New Zealand architects to provide the perfect finishing touch to your new home or renovation. The range offers a variety of aesthetics that can enhance any room, and reflect your own unique personality and style.

Whether you're looking to add elegant tones to your bedroom, or modern details to your living areas, GIB-Cove® is the ideal way to let your individuality shine.

## Features and Benefits

- GIB-Cove® is both functional and decorative
- A range of architectural profiles to choose from, each creating a different interior style
- GIB-Cove® range is quick and easy to install. More detailed information is available in the GIB® Site Guide available at [gib.co.nz](http://gib.co.nz)
- Easily painted and integrates well with GIB® Plasterboard wall and ceiling linings
- Leaves no gaps at the wall/ceiling intersections
- Creates a stable system that ties walls and ceilings together, minimising the chance of joints cracking
- Adds value to your home
- Perfect for new homes or renovations

# Mezzo

Sleek architectural lines superbly compliment modern interior design

Mezzo provides a contemporary statement, with its slimline profile and subtle centre deflection. Mezzo's crisp, clean lines bring elegance and freshness to modern interiors.

- 75mm profile in 3.6m lengths
- Elegant yet able to provide bold architectural styling
- Suitable for updating un-covered rooms or replacing traditional coving

# Tenor

A contemporary return to a simpler take on interiors

Tenor (also seen on cover) provides sleek, modern styling for any room, with simple, clean lines that create striking architectural features in rooms of all sizes.

- 90mm profile in 3.6m length
- Super low-profile coving great even for small rooms
- A perfect understatement

# Basso

Beautiful, refined and timeless gravitas

With a sleek 45° angle, book-ended by a double-step, Basso provides strong contemporary lines. The scale of Basso's profile is perfect for lending opulence to bedrooms, or refinement to buildings with higher ceilings.

- 90mm profile in 3.6m length
- Distinct luxurious presence
- Truly classical overtones
- Perfect for modern interior upgrades

# Alto

The perfect contemporary look for all ceiling heights

Alto's unique profile is a clever contradiction of bold and subtle styling. Whether you're pursuing a modernist aesthetic, or looking to add character to your room, Alto's stepped design will give you clean, crisp symmetry. Perfect for creating a sensation of height and space in a room.

- 50mm profile in 3.6m length
- Small profile with big character
- Deco, modernist clean lines
- Superb quality

# Classic

Classical elegance for any room in your home

With three sizes to choose from, and an elegant profile that works with any look, the Classic will bring a dash of style and grace to your home. A Classic finishing touch to your space.

- Available in 55mm, 75mm, 90mm profiles to suit different ceiling heights and applications
- 3.6m lengths
- Easy to install
- Classic and stylish
